BLUE

When you reflect on the color blue, what comes to your mind? Do you think about sadness or depression or maybe even self-pity? Well if that's the case, you do not know very much about blue. There are many variations of blue, but the royal blue

"No one is selfish, we work together so that we can all proudly graduate together."

Claude Smith

that the Blue Bears have adopted maintains a history of achievement. It symbolizes power with sensitivity. Something more in the blue is the great sense of strength and enthusiasm the great class of 93 feels about our school, and each other.

BLUE

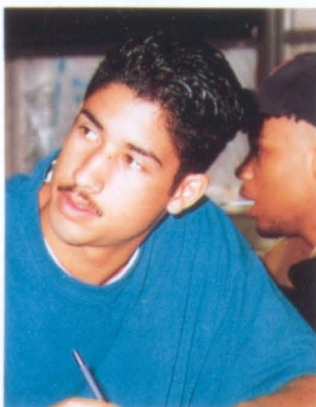

Barringer seniors began each day, with a sense of anticipation and curiosity. The world was available to each of us. All we needed was inspiration and stimulation. And our ever capable faculty and staff, never ceased to force us to use the full dimensions of our mind. They made us expand our thought horizons while at the same time giving us the feeling that Barringer was our second home.

Barringer should be nicknamed the United Nations. Here at Barringer we have a multicultural array of students, each of whom display unique qualities. With this diverse variety of students, we get an understanding, and insight into different cultures. This is an experience that we could not get through books.

“Barringer High is the best. The students are like one big family.” Merari Cintron

A day at the Big Blue is very exciting! Along with an opportunity for serious learning, students always make sure there is a time for enjoyment. In other words, learning becomes a lot more fun.

I wonder what the joke was if Gillian's laughing and Jennifer isn't.

The members of the class of 1993 are a distinguished group. Their extended commitment and support to Barringer this year, was indescribable. A truly classy class!

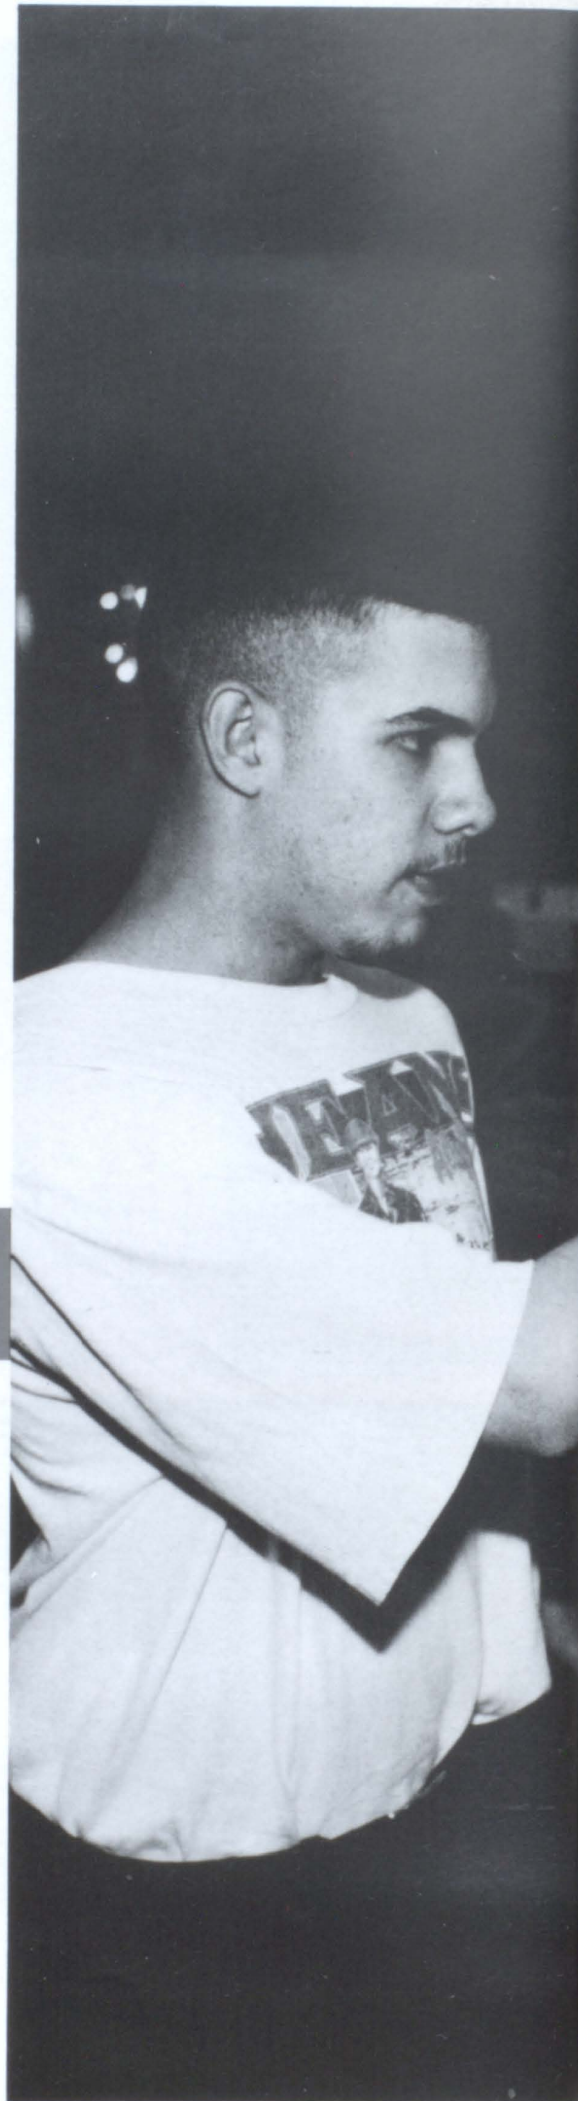

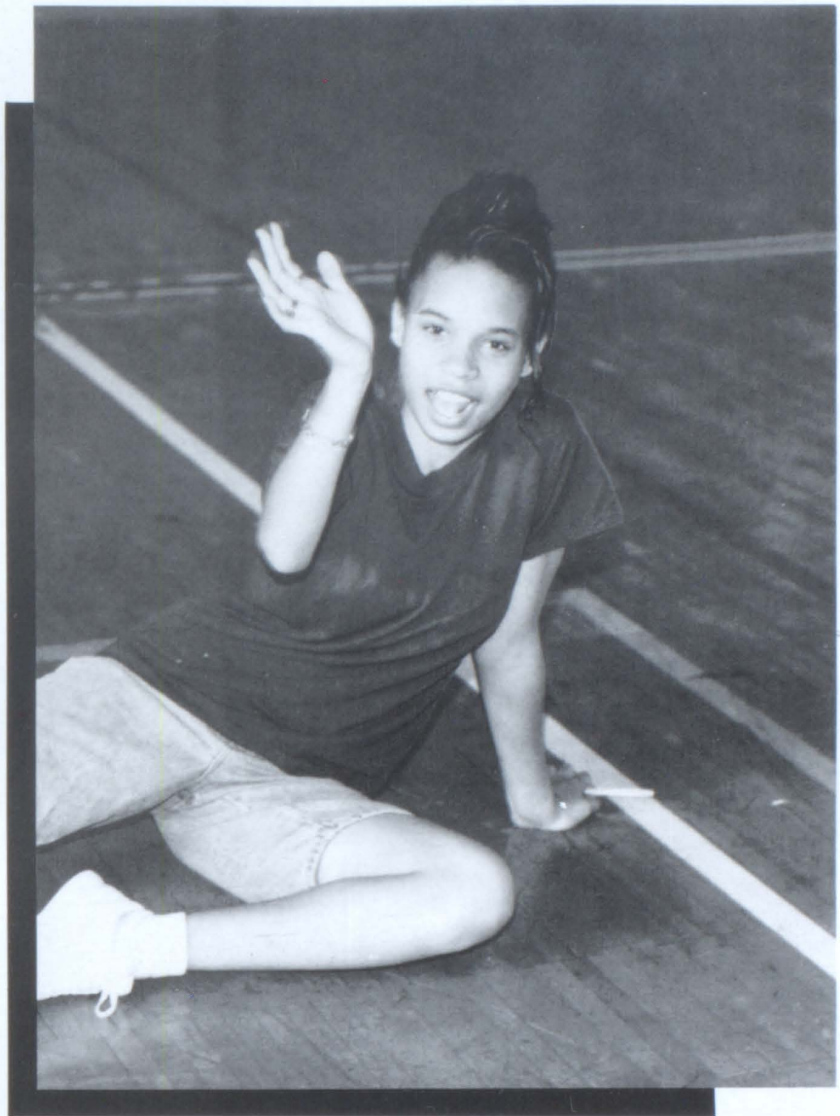

There is a distinctive air of excellence about Barringer, and everything it symbolizes. Our school is reknown for it's performance in sports, drama, speech, art, music, and its publications. The class of 1993 played a large part in the success of all school activities. It makes us feel proud that we gave something more by contributing to the reputation of Barringer.

As graduates we will continue to give something more in our committment to improve ourselves. We continue to give of ourselves in whatever we do, whether we decide to attend college, or take our place in the working world. And we will do this without expecting anything in return.

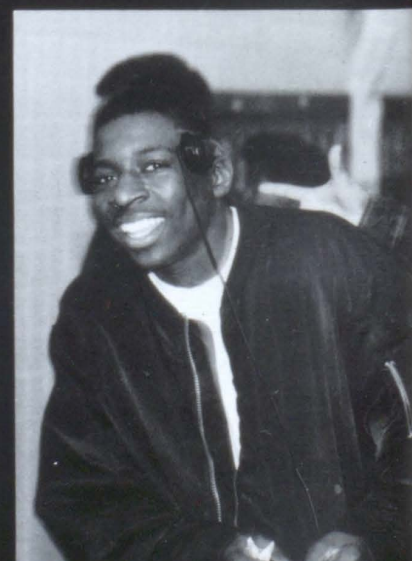

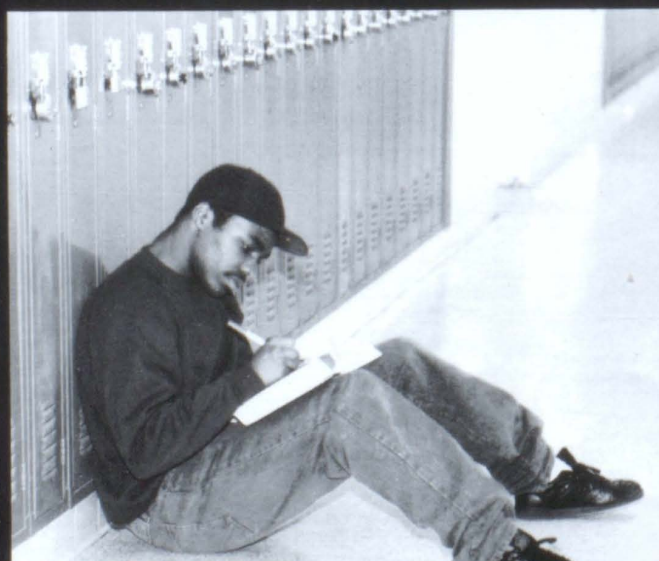

*"I love the variety of activities this school has. You cannot get that in any other school."

Is the World Ready to "Love All People"?

The audience screamed, laughed and cried as the Barringer family hosted the "Love All People" musical group. This is the second year in succession that "Love All People" has visited Barringer, to share the message of devotion and commitment to all people, regardless of their race, skin color, or background with our students, faculty and staff.

"Love All People" is a talented group of about 20 men and women, between ages of 12 and 30 years of age, and led by the entertainer and ordained minister Prentice T. Minner. Assisting Mr. Minner is Rick Lane, who has recently also become a minister. The balance of the band consists of former gang members, drug and alcohol abusers, and victims of sexual, physical and mental assault, who use music to convey that special feeling that is known as "love". During the performance each group member gave a brief testimony about their life, and also explained what it meant to be a part of a group that preaches love your fellow man.

The uniqueness behind "Love All People" is the fact that the members are of different races and ethnic backgrounds, and that the band is able to use their diversity to show what the concepts of "love" and "unity" mean. When the concert was over, there was not a dry eye in the auditorium, as teachers and students hugged and grasped each others hands. So, for a brief moment in time, although it was a stormy day outside the school, there was a warm and peaceful feeling of love inside.

The beat was jammin' and the music was slammin' as Barringer kicked off it's first Talent and Fashion Show. The big event was produced with the combined efforts of the Student Council and Drama Club headed by English teachers Mrs. Antoniette Baskerville and Ms. Deborah Smith. The judges for the event were Gary Johnson, Rachel Irving, and Sean Bell. The M.C for the show was a former student of Barringer, Mr. Kevin Scott.

Amira McNeil kicked off the night with her beautiful and powerful ac-copelic rendition "Sweet Thing", which gave her the first place win for the solo competition. Shalon Shavers won second for "I'm Cryin", by Shanice, followed in third place "Love No Limit", by Mary J. Blidge which was performed by Nakia Smith.

In the group category, first place went to Arrested Development's "Everyday People," which was performed very colorfully by Alicia Simmons, Nigel Edwards, Janice Williamson, Che Jones, Kenneth Davis, and Jerry Brant. The second place winner was "Work To Do", by Vanessa Williams, which was done by Michele Thomas, Tyshammie Cooper, Kim Brown, Nakia Smith, and Stephen Baker. Finally, third place went to "Murder She Wrote", by Chaka Demisand performed by Joseph Hunt, Rhoan Brown, Dionne Gregory, Michelle Jordine, Marsha Hoosang, Tashima Reddick, and Cleo Crossley.

The final competition of the night was rap. The three winners of this category were, first place "Jump Around", by House of Pain, which was performed by Jefte Benitez. Second place went to B.D.P.'s "We In There", done by Nigel Edwards and Malcolm Bailey. The third place was given to Karron Harris and Brady Jacobs for their performance of Red Man's "Blow Your Mind".

There were other performers who did well and whom the entire Barringer student body were very proud of!

1st place winner for the solo category- Amira McNeil.

Talent-Fashion Show

This was the first time that a fashion show was combined with our annual talent show. Ms. Deborah Smith directed the fashion show. The fashion show was difficult to produce because it took so much effort to make exciting apparel available.

People that Ms. Smith knew through her modeling experience contributed a great deal. Some of the many people involved were the National Association of Fashion and Accessory Designers (NAFAD), Boss Tuxedos, K.T Fashion For Men, Vernice Moore and Enez Mercedes Parks. "The Men of 88" showed the guys how to walk. They sent two men Jonathan White and Tracy Mack who came in everyday for rehearsals and pulled the guys together. "They wanted the girls to drool over the guys and they did" commented Mrs. Smith.

Mrs. Parks did the make-up for all of the models with the help of our very own Ms. Bucci. Student models included: Cherron Bradshaw, Jerry Brant, Kenyatta Dasent, Nigel Edwards, Akhenton Egerton, Tori Fladger, Gillian Foreman, Lisandra Gutierrez, Jacqueline Horton, Laterra Howard, Jonell Hugee, Monica Lewis, Karen Lockhart, Maribel Martinez, Tricia McMillan, Amira McNeil, Noel Mendez, Lucy Mary Nazario, Angelo Reyes, Barbara Rivera, Jasmone Rivera, Makia Roverson, Terri Rodriguez, Yolanda Rudolph, Edgar Silverio, William Warren, Sametta Thompson, Jason Ward, Dorian Webb and Richard Zamot.

Barringer has enjoyed a long line of outstanding students who have performed well in their academic classes. However, some students do work harder than others to reach their potential. This year these students were acknowledged for their effort through a special assembly on January 28, 1993. These students hopefully encouraged other students to think positively, and achieve excellence in their studies. We can rightfully label those students who were acclaimed, by calling them Barringer's Finest.

Seniors Go College Hunting at Fair

Montclair State College, Jersey City State, Upsala, Rutgers, these are just a brief sampling of the many colleges present at the Barringer College Fair. On October 23, 1992, Barringer's career guidance counselor Mr. Alfonso Del Guercio, guidance chairman Mr. Frank Antonnacci, and the guidance staff, hosted this festival whereby seniors had the opportunity to talk to representatives of many New Jersey schools.

Thirty-four different colleges were in attendance, to answer questions seniors might ask when they search for the college they want to attend. Another objective of the fair, was for students to become more familiar with the colleges that New Jersey offers. Students who worked as guides were: Maleka Douglass, Akhenaton Egerton, Natera Gray, LiSandra Gutierrez, Jackie Horton, Jessica Medero, Javier Munoz, Elizabeth Sanchez, Shalon Shaver, Alicia Simmons and Danny Vargas. The college fair is a representative of the many positive activities at Barringer.

Winter Concert With a Dash of Salsa

Beautiful voices are heard, as the chorus performs a holiday song.

Mr. Serrano, leads the school band.

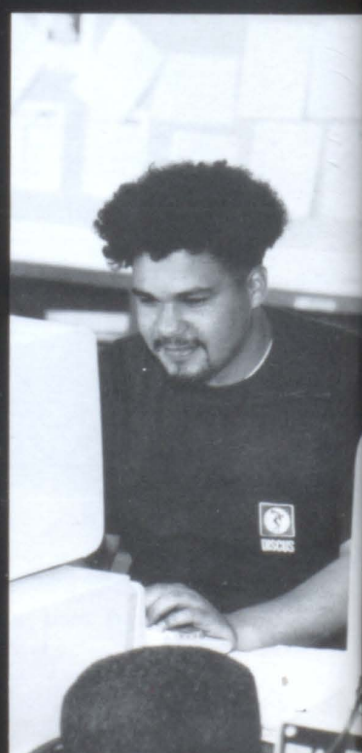

Estee, Jasmin, Ricardo, Jessie and Joshua play their instruments.

Peace and harmony filled the air and the souls of the audience as a variety of beautiful voices expressed a holiday spirit. On December 17, 1992 the music department with the guidance of Mrs. Bea Herring, and Mr. Jose Serrano hosted the annual Winter Concert. Mrs. Herring directed the chorus in singing several songs that put the audience in the holiday spirit. These songs included "Go Tell It On The Mountain", "Glory To The Newborn King", and "The Hallelujah Chorus" from Handel's "Messiah".

Mr. Serrano decided to kick in the New Year with a latin groove by introducing for the first time Barringer's Latin Band. This musically talented band is composed of Barringer students who enjoy this style of beat. The Latin Band had people dancing in there seats as they blasted out the mambo number "Golpeame", which was performed by Harry Torres a Barringer student, and accompanied by a two male and two female chorus. LiSandra Gutierrez and Lucymary Nazario kept the audience moving with their Salsa choreography and energetic voices. The Latin Band received a standing ovation from the audience. The feeling by all those in attendance was that the music department and all participants should be congratulated for an outstanding performance.

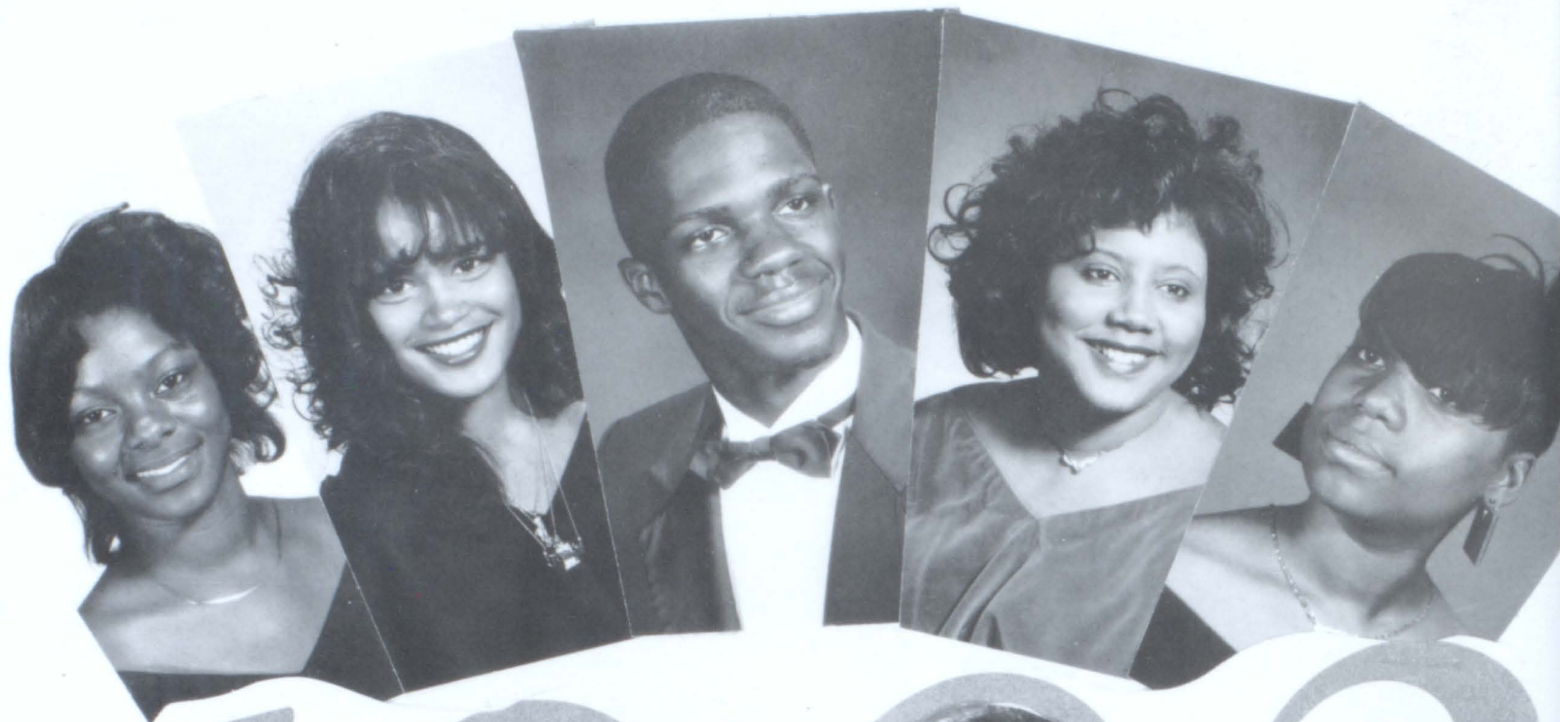

Mrs. Herring and Mr. Watkins, accompanist direct the chorus.

THE CLASS OF 1993

The colors were flashing, the limos's were sleek, and the music was blaring. The Barringer Senior Prom was a blast. Friday, May 28, 1993, was a truly special night for all seniors. The Mayfair Farms was floating, as Eddie Berrios and his band pumped their music into all the seniors and teachers at the prom. The joint was jumping as Mr. Berrios mixed various styles of music to get the students and teachers to loosen their inhibitions. That night the Blue Bears rocked the house.

Senior Class Song:

WE HAVEN'T FINISHED YET

Some people run at the first sight of stormy weather,
Some people hold on and work it out together.
I believe in you, and you believe in me
the rainbow ahead may be hard to see.
We got to hang on to love,
we can't let go.

Chorus

No matter how hard it gets'
we've haven't finished yet.
There's so much of life ahead'
we got so much to do.
No matter how hard we try'
we just can't say good-bye.
Don't leave me with regret,
because we haven't finished yet

There's so many days I wanted just
to call it quit,
and there's so many times I wondered
where in this world that I would be.
We're just beginning,
We can't stop it now,
We're gonna make it,
I know somehow.
We'll show the world,
what it takes and
we can't let go.

Chorus

If we don't believe,
then nobody else will,
we've got to reach out
and, grab something inside.

Seniors Rodrick Johnson, Claude Smith, and Mathew Milton join in for a score.

Our record was 0-2 going into this important football game. We had lost both contests by a total of 3 points, and we were determined not to lose this battle. It was a necessary win for our team, and our coaching staff, but most of all our fans. The team had a punishing week of practice to prepare for this homecoming game against the Mounties of Montclair.

There was an uneasy feeling in the air on this morning of the game. Our supporters had just seen us lose two weeks straight, and they didn't want to see us fall again. But on this Saturday, we would not let them down. We jumped out to a 6-0 tally in the first quarter, and expanded our lead in the second quarter to 13-0. But in the second half, Montclair had different plans for the course of this struggle. The

Mounties scored a quick touchdown early in the fourth quarter. This ran the point total to 13-12, in their favor. With about one minute and thirty seconds to go in the game, the tension in the air could be cut with a knife. The battle would be decided on one play.

The Mounties were in field goal territory, and they had to make a choice. A field goal would result in a tie, while a two point conversion would win the game. The crowd began to chant, "defense, defense". As the ball was hiked, everyone realized Montclair was going for all the marbles. They had opted for the two points. Their quarterback dropped back to pass. But our defensive front crushed the pocket, and the quarterback was sacked. Yes, we had done it. Barringer won 13-12.

Band members Albert Aquino, Anthony Marcum and Steven Figueroa in formation.

Homecoming Dance

The gym was hot and the shakers were sweaty. There was music, food and fun. Barringer's second annual Homecoming party was in motion!

The October 9, 1992 Homecoming dance was sponsored by the Senior Class Committee, advised by Ms. Karen Parsons, and Ms. Sylvia Plant. The football game between Barringer and Montclair High, which was played on the next day, was sponsored by the Booster Club. Both groups worked cooperatively to make this year's celebration a success.

The money collected from the dance went into the senior class kitty, and the cash from the game went towards the football trophies and school spirit supplies. "I was very pleased with the entire event. The winners looked great," commented Mrs. Salzano, the Booster club advisor, when the football game ended.

The royalty crowned at the half-time ceremony were: King and Queen, Daniel Vargas and Hilda Mayol; Princess Karen Lockhart and Yashanda Budhu.

King Daniel Vargas and Queen Hilda Mayol make a royal pair.

76 Mrs. Malik moves to the rhythm of the music.

Isiah Woods hugs Ms. Plant.

Michelle Thomas discusses the party with Nakia Smith.

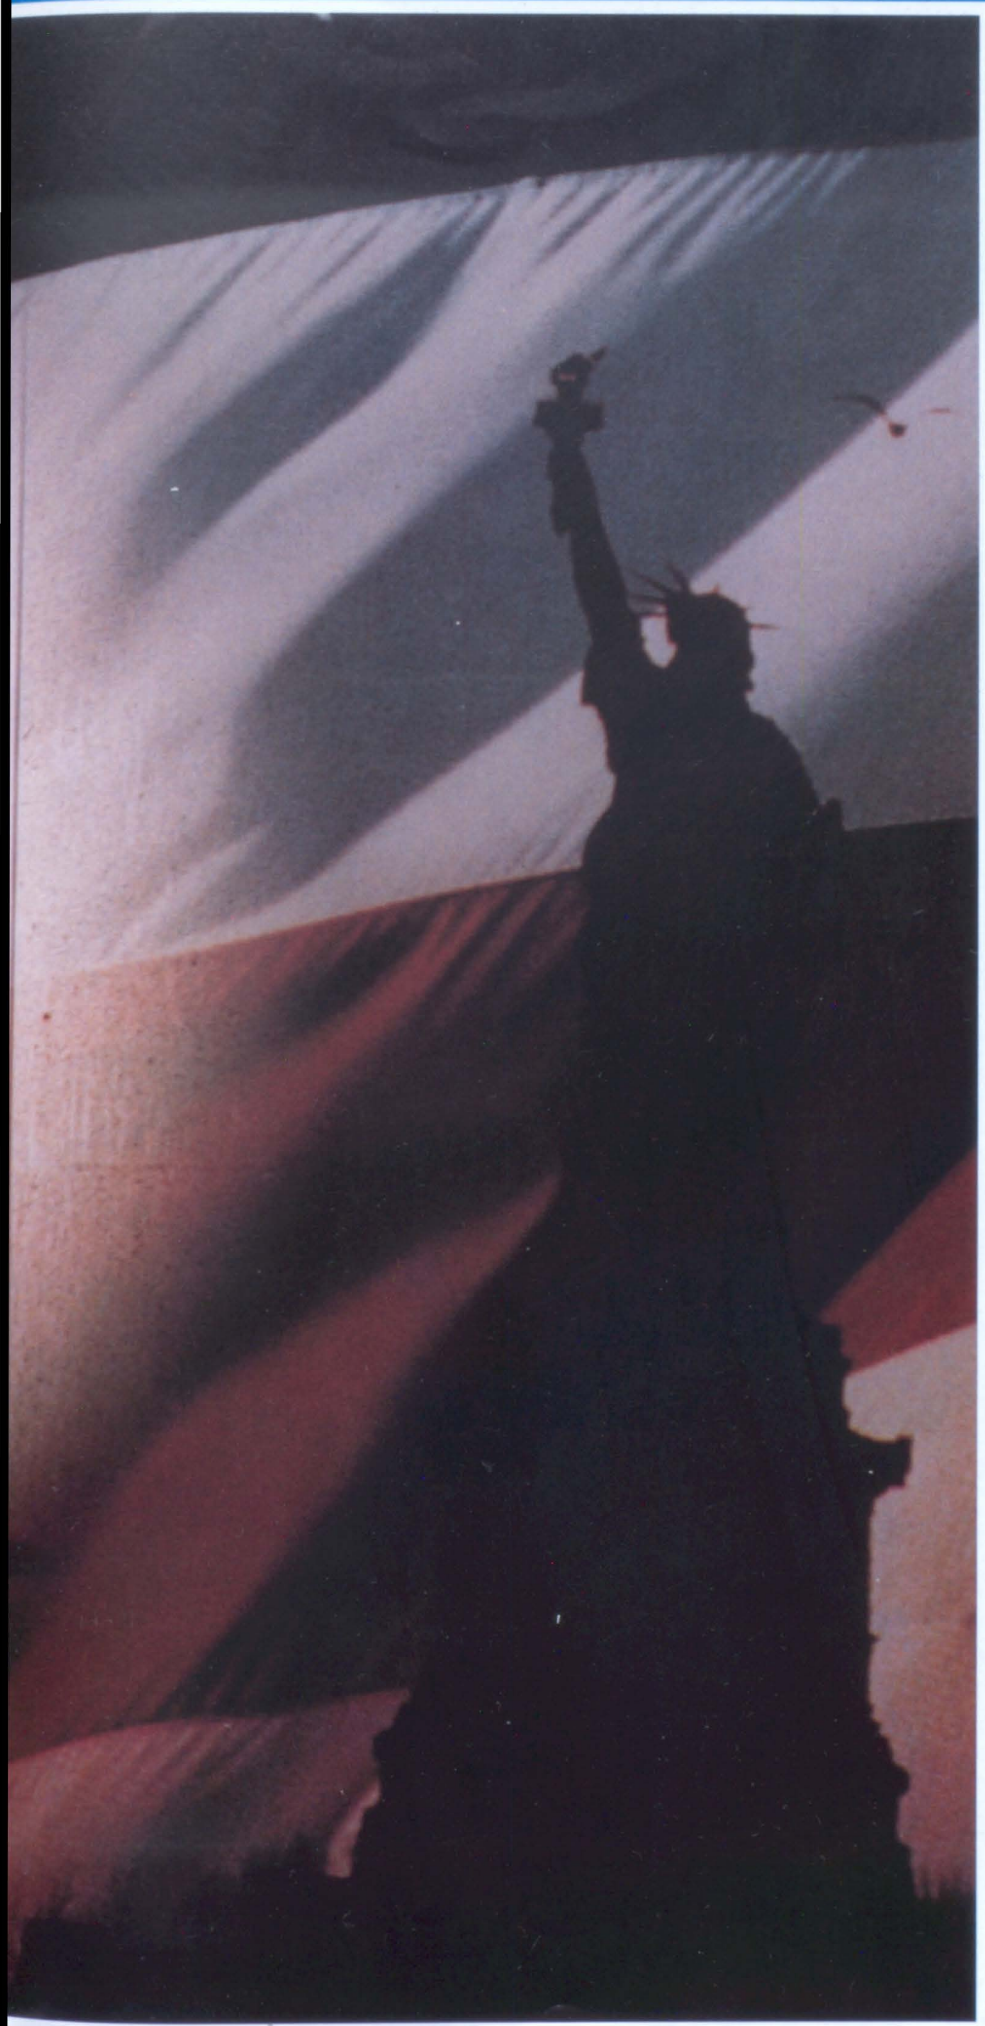

Mrs. Bucci helps with the refreshments.

Alicia Simmons is hugged by Harris Karron.

Ms. Parsons and Ms. Plant celebrate a successful party.

ALMA MATER

*Over many a city old,
Famed in song and story.
Temple grey and castle hold
Catch the sunset glory.
so our Alma Mater proud
Looks o'er vale and meadow
High between the sailing cloud
And its drifting shadow.
For her colors, first the blue
Of the April valley;
Then December's wintry hue
When the storm winds rally.
Newark High, thy fame we raise.
Many voices blending;
Through the years we pledge thee praise.
Loyal to life's ending.*

BARRINGER HIGH SCHOOL

CLASS OF 1993

McDonald's Scholarship Program

What do rappers and McDonald's hamburgers have in common? On February 11th, a special event occurred at Barringer which joined "Big Mac" and rap. This event was called Hacer/McDonald's Scholarship program. Hacer is a program designed by McDonald's to help deserving Hispanics students by awarding college scholarships. This program, hosted by our career counselor Mr. Alfonso DelGuercio, was developed in partnership with the National Hispanic Scholarship Fund, the largest and oldest Hispanic-American educational assistance foundation in the U.S. education.

Also as part of the agenda, from channel 41 WXTV anchorwomen Denisse Oller discussed the advantages of this program, and rap singer, Citronelle, later entertained the audience.

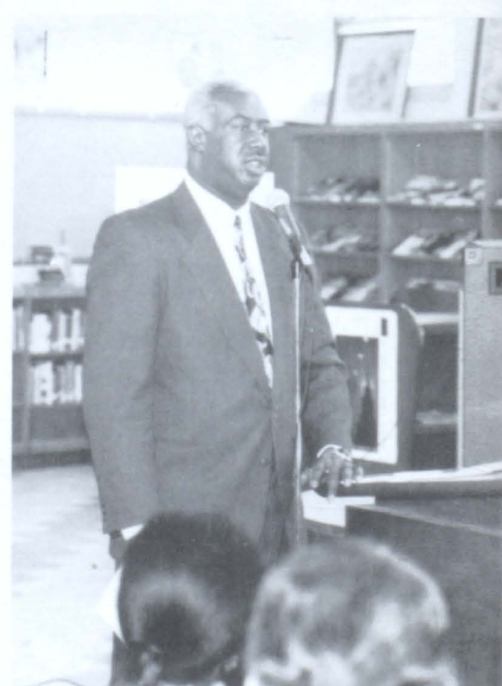

Through the Hacer program McDonald's and NHSF'S have provided financial assistance to many Hispanic American students who wish to pursue a college career.

Citronelle gives LiSandra his autograph.

Mr. Del Guercio discusses the purpose and theme of the program.

Barringer principal, Mr. Benjamin O'Neal, welcomes the students and staff members to the program.

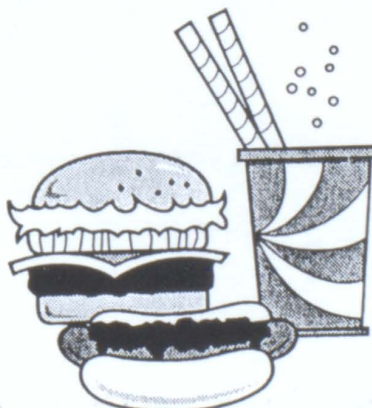

Students who worked as hosts, and hostesses for the program, left to right, Elizabeth Sanchez, Carlos Torres, LiSandra Gutierrez, Jessica Medero, Magdalena Padilla, Helen Lopez, Danny Vargas, Marylin Figueroa, Rosa Santana and Mary Cabral.

Ricardo receives an autograph from guest speaker Denisse Oller.

Students listen to the guest speaker discuss the advantages of McDonald's Scholarship Program.

The Principal

Mr. Benjamin O'Neal

The Principal's job can be demanding as well as lonely. It takes an authoritative figure who is capable of displaying patience and fairness, mixed with perseverance, to endure at the helm of a school as large as Barringer. Our Principal, Mr. Benjamin O'Neal has devoted many years of his life to the education of our children.

"We are very proud that you, the Class of 1993 have reached this moment in time. Your dreams and desires await direction and dedication. Leaving the scholastic world behind you, and becoming part of a more complex and rewarding society awaits you. The only drawback you will have is the one you place upon yourself. Every time you seek to define the problem and seek a solution... Look in the mirror... Be proud... Be a source of inspiration to the community and your family". Benjamin O'Neal

When students at Barringer consider their post-high school plans, they usually look to their counselors for advice. The counselors at Barringer are a warm, caring, understanding, considerate and encouraging staff of people, who utilize their knowledge and expertise to help students plan their future.

The chairpeople, are important to the structure of the school, because they help teachers plan out the daily curriculum that goes into teaching Barringer students.

Dear Class of 1993, Congratulations on a job well done and a race well run. You have gone the distance and won the prize. Be happy, be proud, but never be content to remain at this station. The future, for good or ill, lies before you, and must be lived. One well-lived day far exceeds in every way, one well-planned day. Dream big, work hard, stay focused, believe in your dreams and it will become a reality for you. There is a power greater than ourselves, who is on our side, when we choose the right one.
Ms. Beatrice Herrings

Make yesterday a vision of happiness, and tomorrow a dream of a lifetime. It is in this spirit I wish you much success in your future endeavors.

Ms. Donna Stridacchio

Congratulations to the Class of 1993, We have put our hearts into our work and done our best. Let us continue to realize our potential with great efforts.

ALL IN THE STATE OF MIND

If you think you're beaten, you are,

If you think you dare not, you don't,

If you want to win, but think you can't,

It's almost a cinch you won't. If you think you'll lose, you're lost,

For out in the world you'll find

success begins with a fellow's will,

It's all in the state of mind. Full many a race has been lost

Before ever a step was run, And many a coward has failed

Before his work was begun. Think big and your deeds will grow,

Think small and you'll fall behind,

Think that you can, and you will,

It's all in the state of mind. If you think you are outclassed, you are,

You've got to think high to rise,

You've got to be sure of yourself

Before you can win a prize. Life's battles don't always go

To the stronger or faster man,

For sooner or later the man who wins,

Is the fellow who thinks he can.

To the class of 1993.

I want all the seniors to stay positive in all that they do and keep a positive attitude in all that you do, strive for all of your goals and dreams, toward success and they will come true. "Keep on rising to the top. The "Coach".

To The graduting Class of 1993, I wish to offer my sincere congratulations on the completion of your high school career. I also want to encourage you to focus your energy on the future. It is an extremely exciting time full of opportunity and challenge. The use of the same determination, positive attitude and effort you exhibited at Barringer will enable you to successfully meet their opportunities and challenges.

Mr. Alan Alvarez

Dear Seniors:

You have left the threshold of a beginning to your future. Keep yours focused. Life is short, Tomorrow is now, let nothing and no one keep you from making your dreams a reality. With everyday treat it as it is your last. You have a challenge, face it with fortitude, strength and determination. We were just the channel through which you met your beginning.

Mrs. Carrie Lynn

Congratulations to the graduating class of 1993. May you have the strength, courage, and ambition to achieve all of the goals that you have set for yourselves.

Ms. Dorothy Casey

I Hope That you have learned the scientific way of thinking and problem attacking skills which are strategies you can use in your future life to secure your success and maximize your accomplishments.

Mr. Nabil Said

DON'T EVER QUIT

When things go wrong, as
they sometimes will,
When the road you're
trudging seems all uphill,

When the funds are low
and the debts are high,
And you want to smile, but
you have to sigh,
when care is pressing down
a bit----

rest if you must, but don't
you quit.

Life is queer with its twists
and turns,

As every one of us some-
times learns,
and many a fellow turns
about,

when he might have won
had he stuck it out,

Don't give up though the
pace seems slow----

You may succeed with an-
other blow.

It seems to a faint and fal-
tering man;

Often the struggler has
given up,

When he might have cap-
tured the victor's cup;

And he learns too late
when the night came down

How close he was to the
golden crown.

Success is failure turned
inside out----

The silver tint of the clouds
of doubt,

And you never can tell how
close you are,

It may be near when it
seems afar;

So stick to the fight when
you're hardest hit----

It's when things seem
worst that you mustn't

quit.

If you have ventured into the home economics end of the school building, you probably became aware of the children in the Infant Toddler Center.

The center, which opened in the fall of 1987, accommodates 11 Toddlers and 8 infants, all between the ages of 6 months and 3 years of age. Here, teen mothers and fathers who are students at Barringer, have the opportunity to continue their education, without having to worry about who will babysit their child.

At the center, Coordinator Mrs. Mary Jean Meravi and her assistants Fanny Olliveri, Brenda Stevens, Alcira Derevizus, Wilma Rodriguez, and Rosalind Mcmillian, become mother surrogates for the day. Their daily chores consist of feeding the children, teaching them how to feed themselves, changing diapers, and occupying the infants time with games, and other experiences that develop their learning skills.

When holidays arrive, the children in the center participate in these occasions by becoming involved in an activity. On Halloween, the children celebrate by dressing up in costumes. On Thanksgiving, everyone in the center gathers together for a dinner. Finally at christmas time, parents of the child are invited to a party, whereby Santa, usually one of the fathers, makes an appearance and hands out gifts.

The Editors-In-Chief supervise Sylvester's layout.

The most difficult task to complete when assembling the Athenaeum is trying to create an image of a uniquely designed and diversified yearbook. Each yearbook is developed according to the structure of each graduating class. When starting the task of creating a yearbook, each writer researched a yearbook from past years to help them grasp an idea of how to set up the things needed. After gathering the information and tools needed we then can begin to start the "REAL THING." We as the staff work together getting things done. It is a hard job but, it is challenging as well.

Football

As one of the most exciting sports, football is a game that receives much recognition from our students and staff. Barringer football players: enjoy being the focus of attention at games; work hard and practice for long hours to accomplish a victory; show pride in their school by always trying to leave a good impression of the Blue Bears in every school they play; and they are willing to sacrifice Saturdays to compete with some of the toughest teams in the state. This team should be remembered for their courage and desire to beat all competitors. And above all, they never surrendered—they gave their all till the end.

The teams most valuable players were awarded full scholarships to college. They are Rodrick Johnson, who will be attending Kansas University, and Derrick Valentine who will go to the University of Arizona. As co-captains of the team it was their responsibility to encourage the players by example.

"The Barringer soccer team of 1992-93 despite the lack of experience and practice games, demonstrated persistence and the will to win. Spirit and tenacity were also attributes of this team. After the first games it was possible to find a position for each player. As the season progressed our team experienced a very difficult but promising season. There were great games against the toughest teams. We defeated Kennedy, Passaic, Bloomfield and Eastside High School.

Blue Bears soccer team should be noted for their valiant effort, dedication to the game, and the good sportmanship on and off the field. The striker was Jose Merchan with 7 goals, another valuable player was Eric Vizuite, who played as sweeper. Next year this team will miss some important senior players like Alonzo Munoz, Eric Vizuite, Reziq Ayyad, Jose Merchan, and Manlio and Moises Guardiola."

This year's Softball team was one of the youngest teams that Barringer has fielded. The coaches were determined to teach the players techniques that deliver a winning streak. This club continues to train and learn, working deliberately to add even more wins to their record.

The team always worked together as one, and were enthusiastic in every contest they entered. Each of the girls concentrated on the basics of fielding, throwing and base running, with the knowledge that they would be competing against the toughest schools.

Although some of the current players are returning, It's going to be difficult for next year's team to follow in their footsteps.

Barringer's baseball team has always brought pride to our school. This year our team was ambitious enough to practice each day with the determination to make the state tournament. Although we fell short of our goal, each of the players contributed with their efforts to become better each day.

The baseball squad was characterized by their speed and hitting skills. While it was not always easy, with some patience the team was able to overcome the injuries and other obstacles.

Baseball

Volleyball

This was a very productive season for the volleyball team. By drilling on basic techniques, each of the girls improved their game dramatically.

This team members formed close relationships with each other, and this developed into a competent attitude throughout the games. The excitement generated by the crowds was apparent not only at the actual games but also during practice games.

This year the team will lose one of it's most valuable players, senior captain Carolyn Perez. Carolyn dedicated herself to helping the young players prepare for next years season, and because of her determination to do her best at volleyball, she became a source of inspiration for the members of her team.

Tennis

Although tennis is a great sport, it is not a popular activity at Barringer, and thus rarely gets any school support. However, this does not discourage our players. To the contrary, it makes them try harder to be victorious in every game.

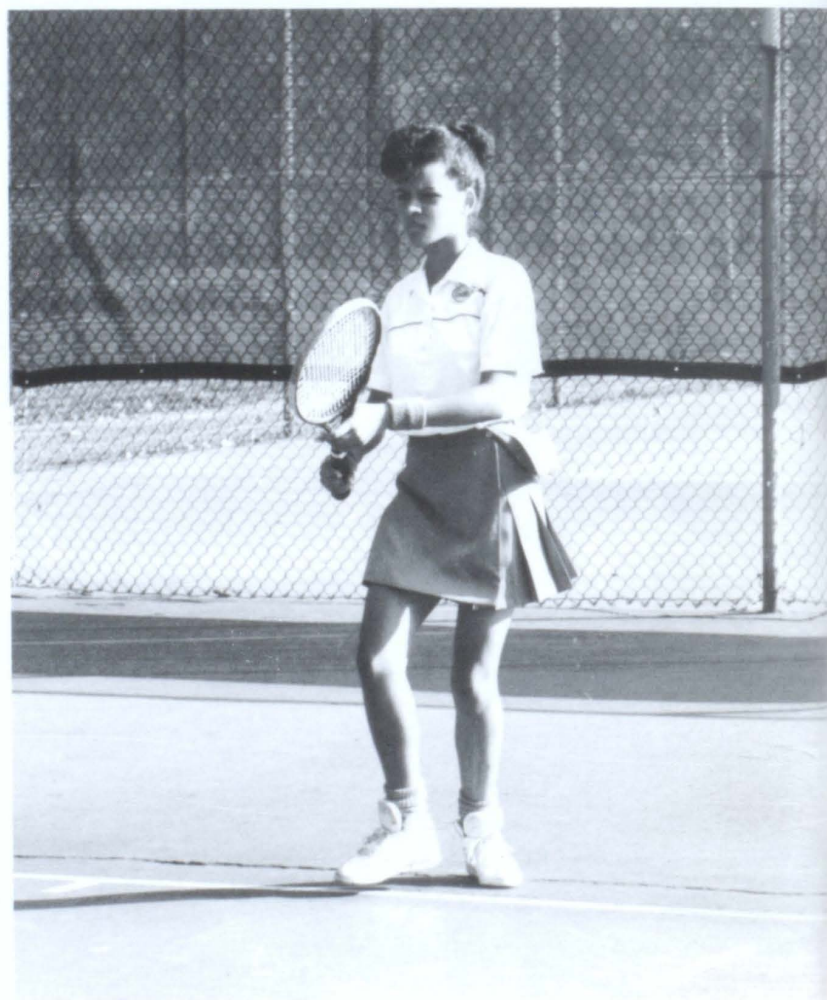

Both the boys and girls tennis team are composed of some of Barringer finest. Each player demonstrates their love for the game by their devotion and dedication at improving their skills. The girls team counted with two very good players, Mary Cabral and Evelyn Lantigua, who dedicated their afternoons to the game.

This year Barringer fielded a girls basketball team which consisted of young and inexperienced players. Most of the players were freshman with the exception of a few juniors and one senior veteran: Carolyn Perez. As captain of the team, Carolyn was consistent on both offense or defense. But her most important attribute was that she always contributed support for her teammates.

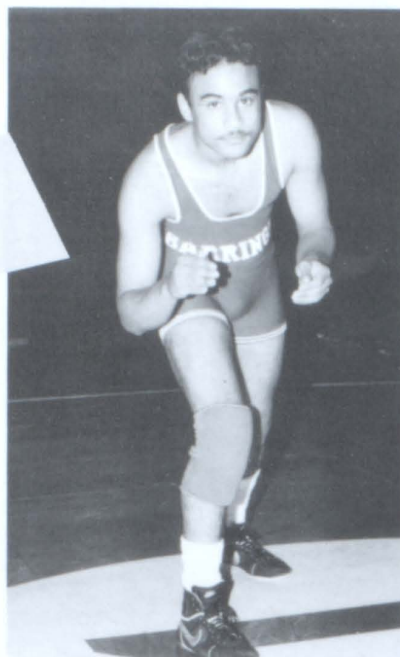

The fact that this was the first year for most of the girls on the team was not evident in the way they played. It was clear by their performance that they knew basketball.

This team can be described as a persistent group of players, who were constantly striving to better their skills and their knowledge of the game. The enthusiasm on the court was apparent and the atmosphere of cooperation was also evident. Our girls basketball team will be a force to reckon with in the future.

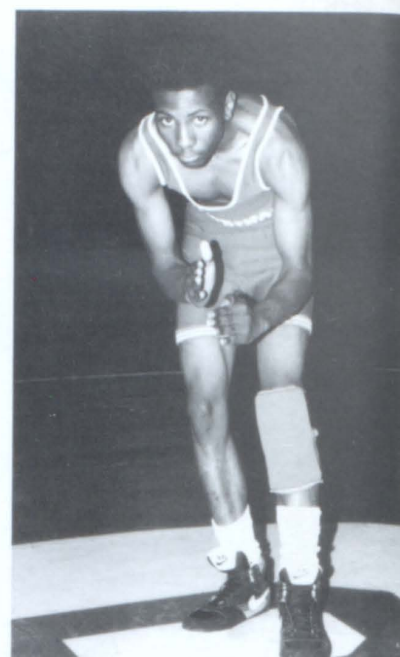

Girls Basketball

Wrestling

Tenacity, strength, and knowledge of techniques are the attributes needed for a successful wrestling team. Strength through weight lifting programs are essential, as well as many hours of practice to learn the skills needed to complete your objective: a pin, or a decision by points. The 1993 Blue Bear wrestling team demonstrated outstanding ability in all competitions. Even when the team was in danger of losing the match, they never threw in the towel. The coach was pleasantly surprised at how much dedication the players demonstrated this season. It gives Coach Butts a base to work on for next year.

The Boy's Basketball team was a success right from the start. The coach used the experience of veterans, and the raw talent of young players, to mold this squad into a team opponents took seriously. All members of this basketball team worked together to improve their shooting techniques as well as their defensive moves.

As one of the most popular sports in the school it receives a lot of attention. The Barringer basketball fans demonstrated their support in every game, by being present and displaying an energy that was far beyond normal.

One who knows little about the game of bowling might find it torturous. At Barringer the game has not been very popular- that is until now. This year we have produced arguably the largest teams since Bowling was introduced as a sport in this school.

Bowling is more than just rolling a ball down a lane. Good coordination and balance are two attributes necessary to master this sport. Bowling also requires thinking and strategy. This season our bowling team worked hard to develop their game, and help one another to improve their skills. Although they ran into difficult opponents, each member persevered by improving their bowling a little every day.

C AUGHT IN THE ACT

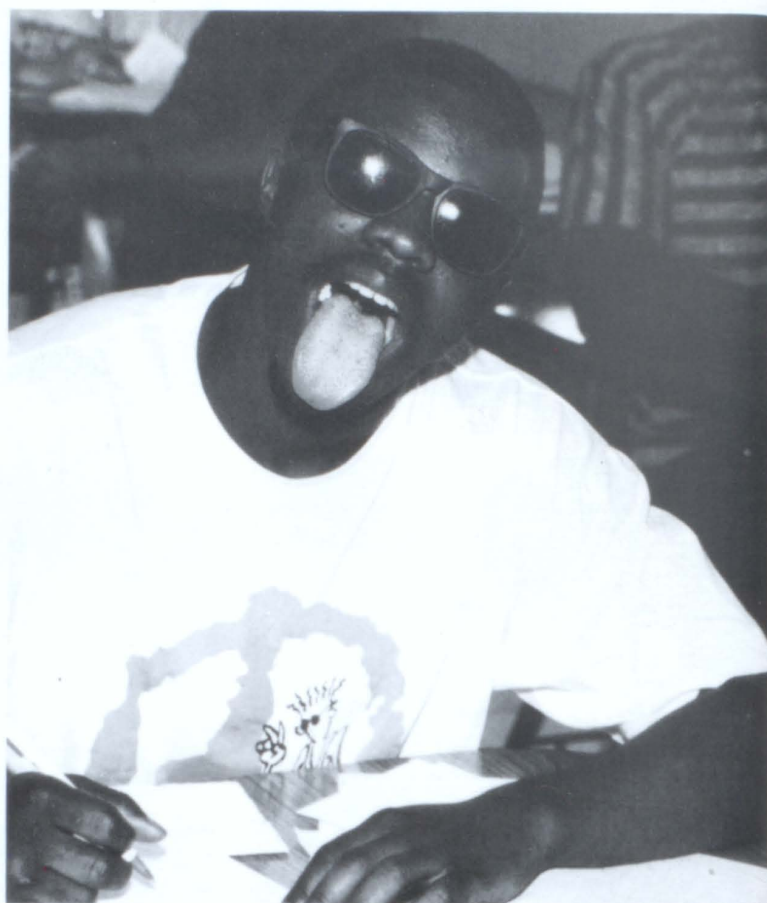

"Eat your heart out Don King".

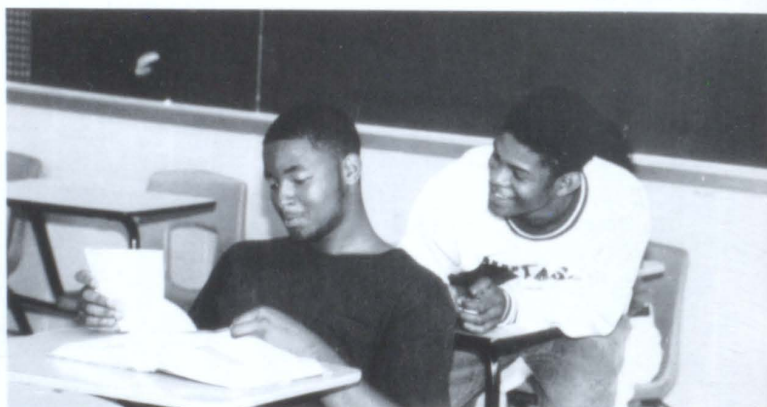

"Just trying to get a little laugh".

Caught in the act of carjacking at Barringer!

"Look what I had for lunch"!

"So, who's your computer mate"?

"You're pulling my leg"!

"Me so hungry"!

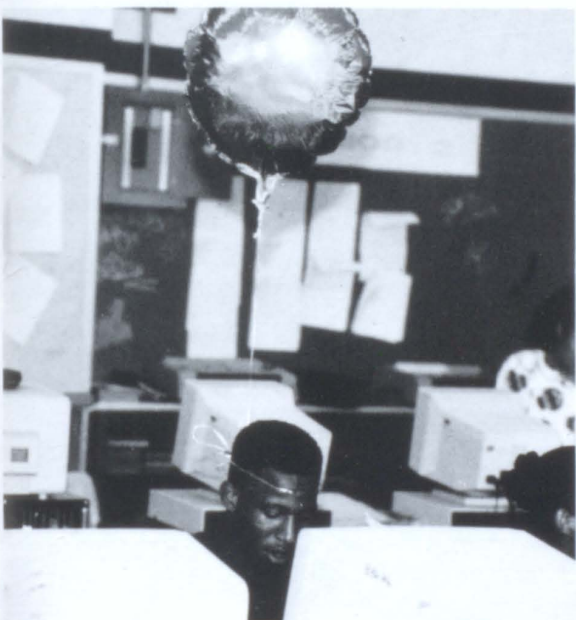

The Breakfast of Champions!

Mrs. Plant, relax I'll give you a hat just like it!

"I got a man!"

If hot air rises, Why are you still here?

Raise your hand, If you're Sure!

"I want to be like Mike".

We the Barringer High School graduating class of June 1993, Newark, New Jersey, being of sound mind and judgement, hereby declare this to be our last will and testament. We Will to:

Mr. O'Neal, students that follow the rules.
Mrs. Harris, keep that wonderful personality, and new hair style.
Mrs. Manfro, give love-receive love.
Mr. Angelo, more excitement in your life.
Mrs. Hutton, less teaching time.
Mr. Cordasco, mental health.
Mr. Miller, congratulations on your new look.
Ms. Parsons and Ms. Plant, a thankless job, but a job well done.
Ms. Posteraro, money to buy a car.
Ms. Malik, show your pretty hair more often.
Mrs. Rice, no more drinking coffee out of lab equipment.
Mr. Shlofmitz, happy and healthy retirement.
Mr. Di Gerlando, a yearbook staff as motivated as ours.
Mr. Hope, "more hope"
Mrs. Ballin, more smart math students.
Mr. Serrano, keep up the good work!
Mr. Snyder, own home gym.
Mr. Green, new jokes.
Mr. Rocco, new teaching style.
Mr. Wagner, subscription to Penthouse magazine.
Dr. Sea, a trip to Ireland.
Mrs. Alonso, a bright face that lifts you up.
Mr. S. Johnson, continue to show pride in our school "wear your blue and white sweat-suit".
Mrs. Casey, a class with students who get there early.
Mr. Dowdell, a class of students without last names.

When we think of the school colors, blue and white, we are reminded of the many memories of Barringer High. For three years Barringer has been our home away from home. It is here that we have climbed the necessary steps to prepare for our future.

EAD

Barringer is a school of many diverse cultures. Cultures which are like finely tuned instruments in an orchestra. When the music of each instrument is combined, the result is a symphony of unity.

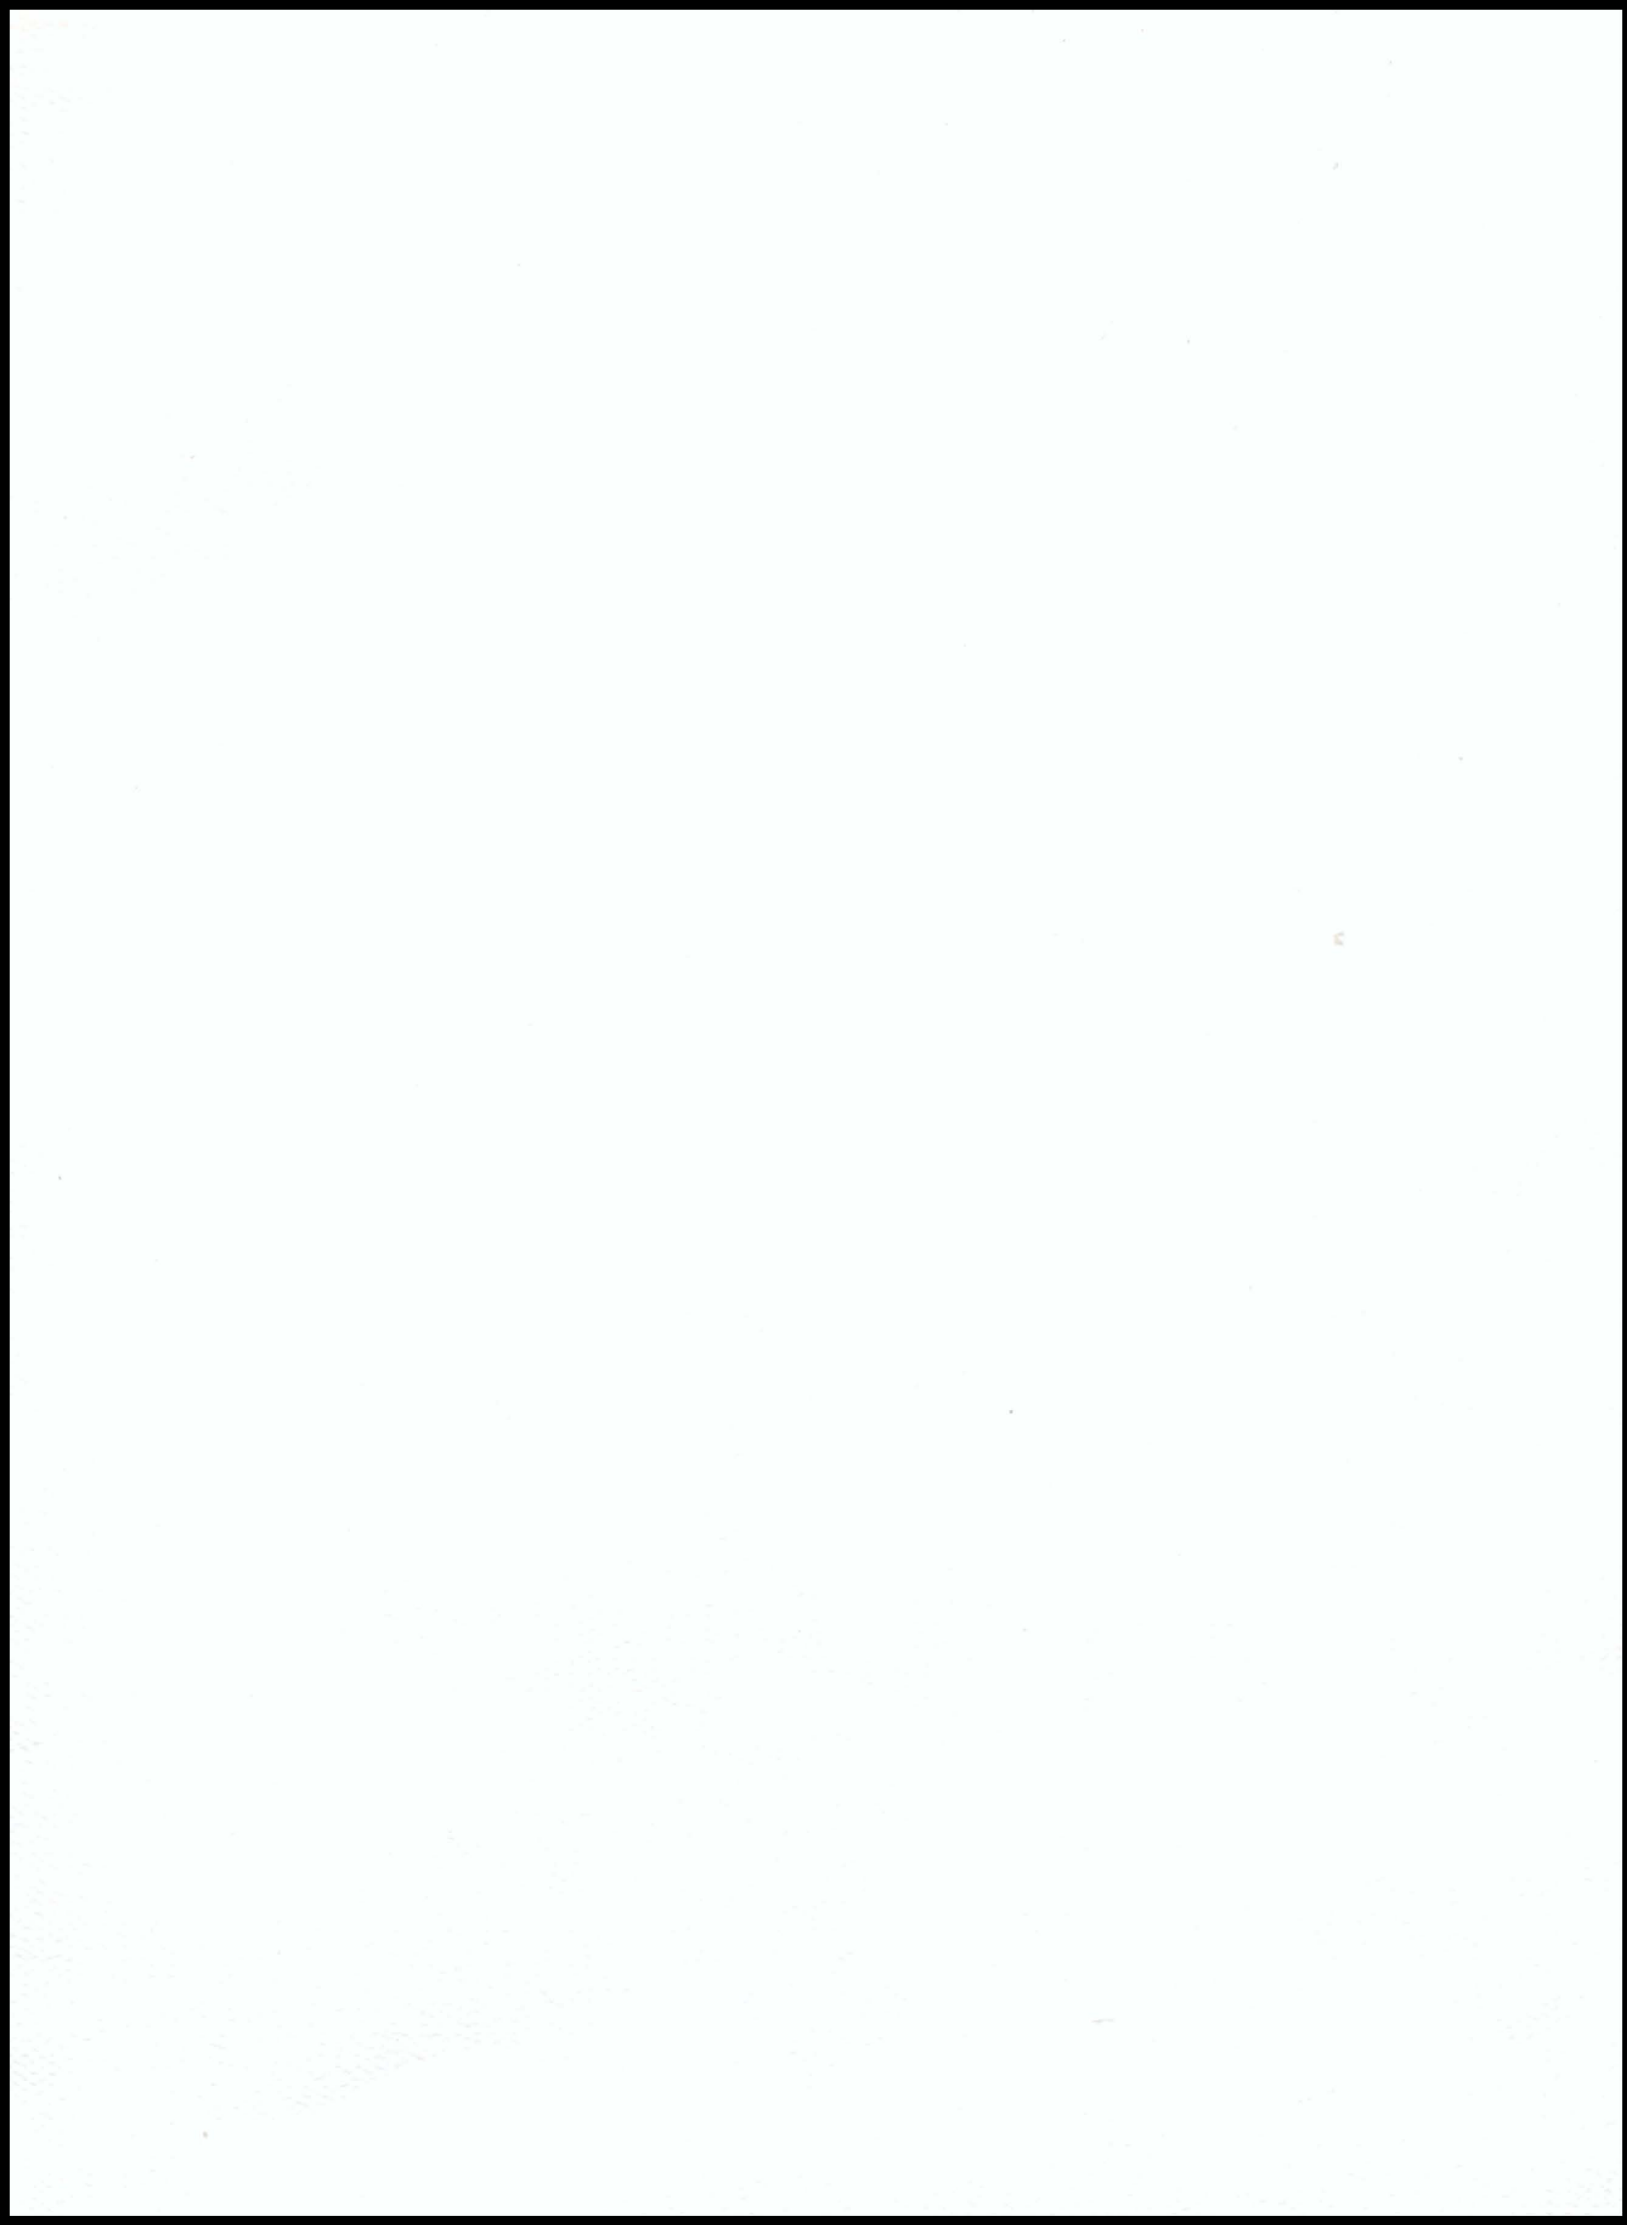

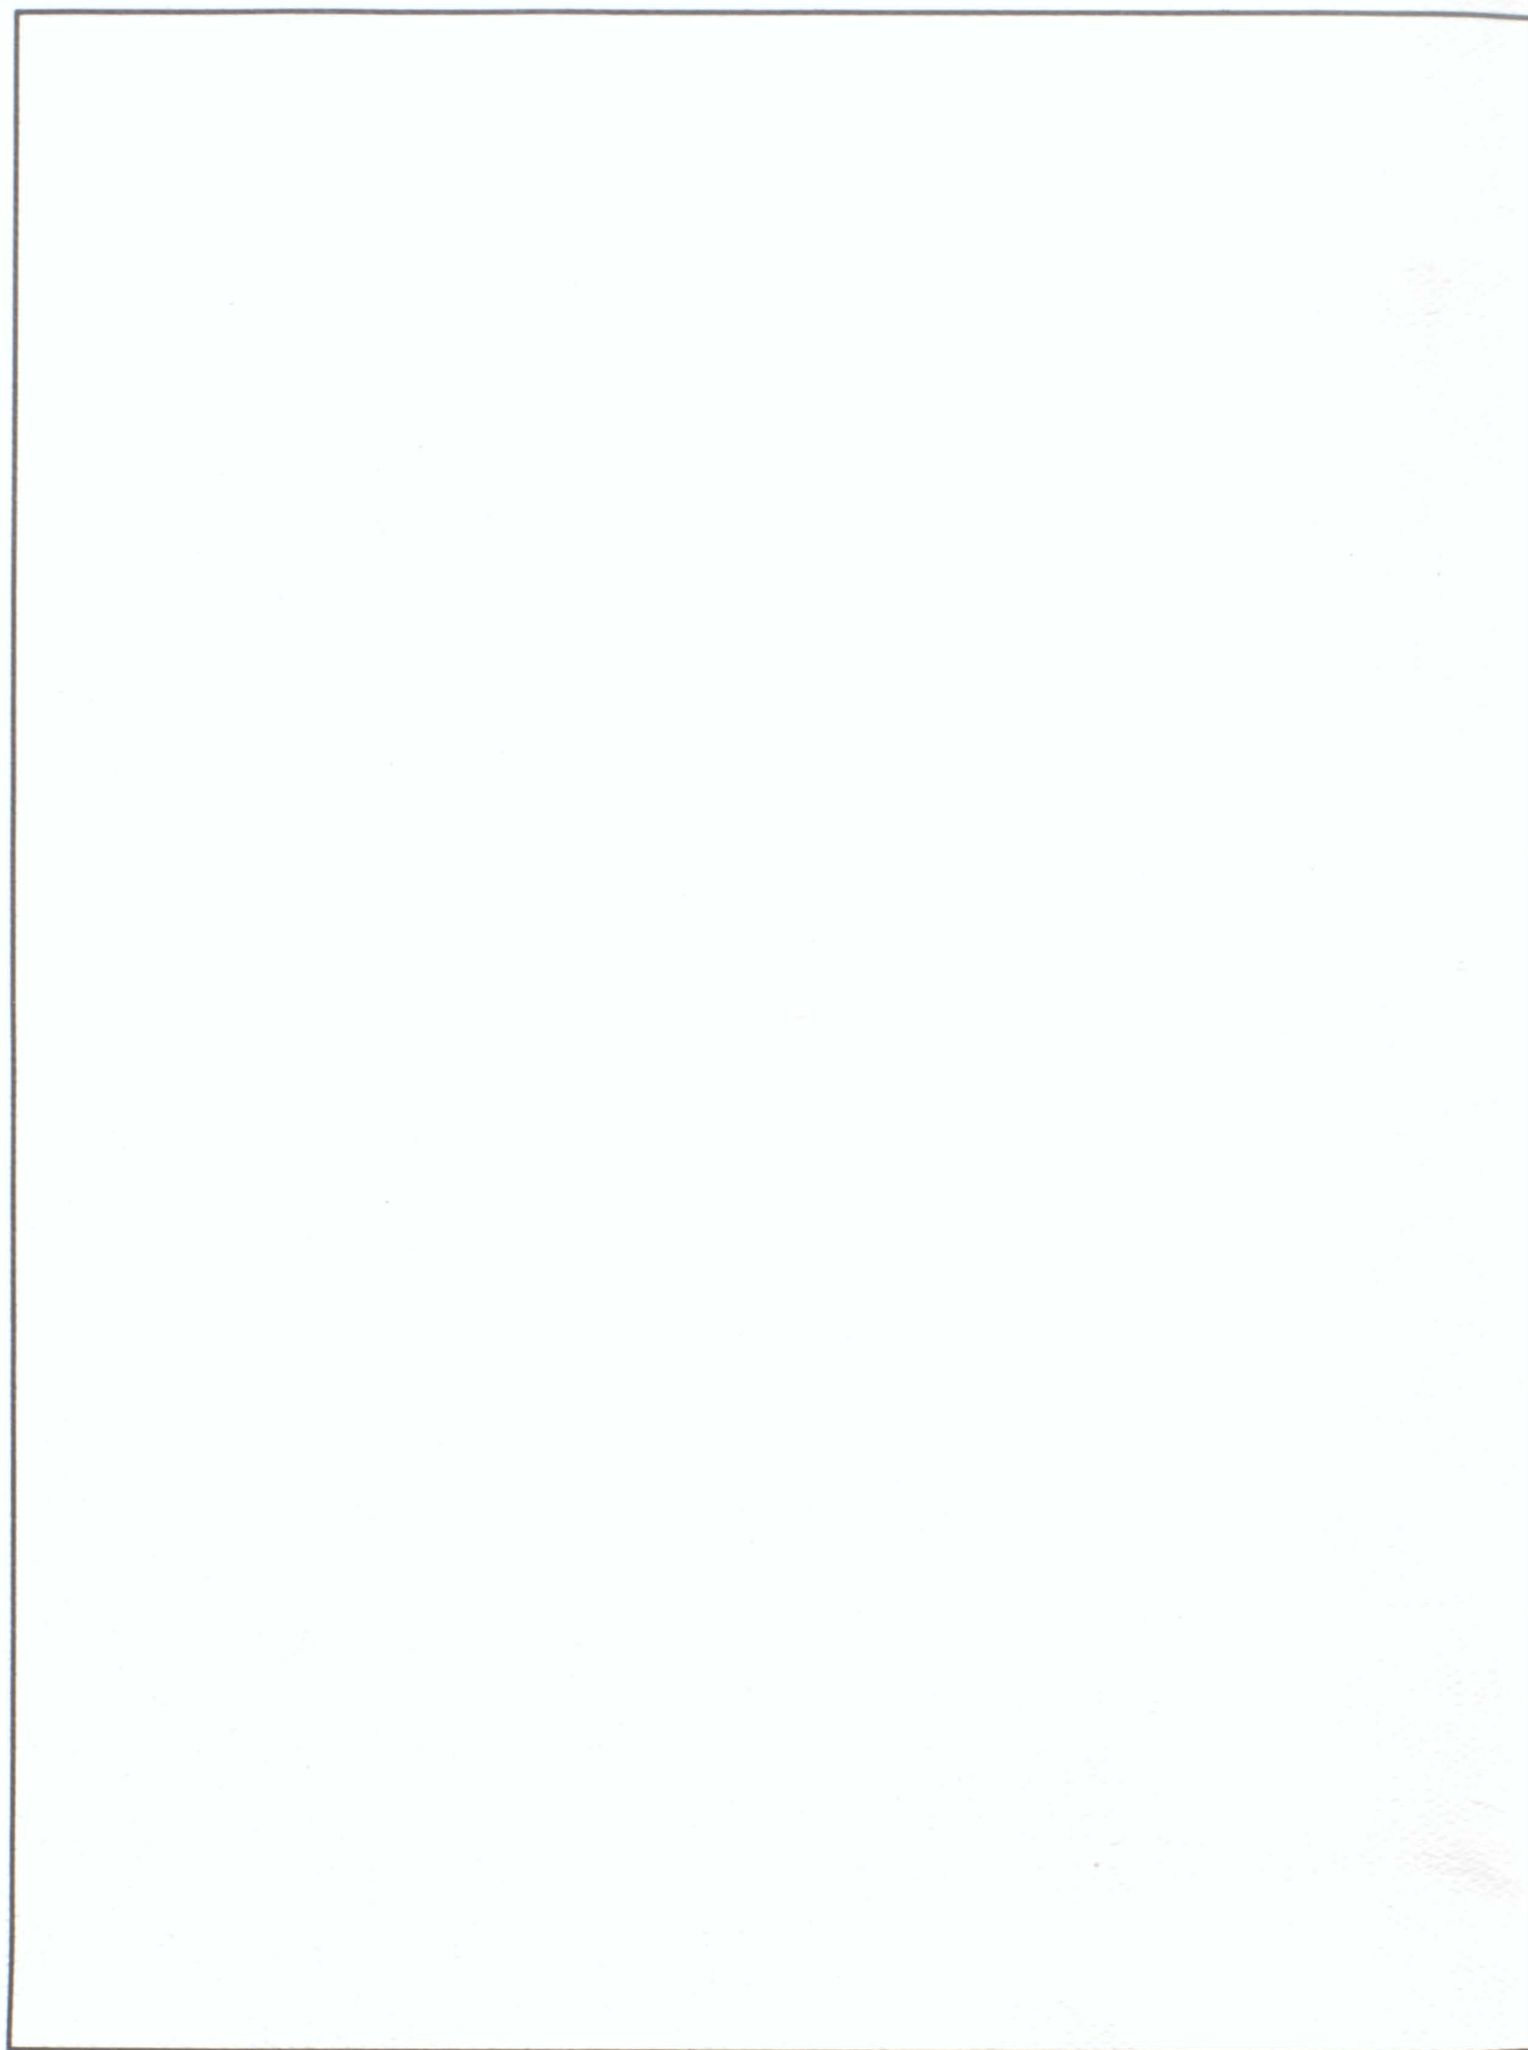

The Class of 1993 is unique in many ways. We learned to live and love each other. Although we are moving on, and going our separate ways there will always be an inner Blue Bear that will never leave us.

When your weary feelings arise, I will support you. When your tear stained eyes are dreary, I will dry them off. I will be by your side, when troubled times arise, I will be there to pull you through. In the end, I know I can count on you. Always look to the sky. Hold your head up high. Never give up- keep moving on. Why?, You haven't finished yet! Tyshammie Cooper

ALMA MATER

Over many a city old,
Famed in song and story.
Temple grey and castle bold
Catch the sunset glory.
so our Alma Mater proud
Looks o'er valé and meadow
High between the sailing cloud
And its drifting shadow.
For her colors, first the blue
Of the April valley;
Then December's wintry hue
When the storm winds rally.
Newark High, thy fame we raise.
Many voices blending;
Through the years we pledge thee
praise.
Loyal to life's ending.
